

2022 CHARGERS Corporate Rowing Programs

General Information

Rowing is the ultimate team sport – there is nothing like the experience of 8 people working together toward one goal. This is why the CHARGERS Rowing Club is proud to announce annual Corporate Rowing Program for 2022.

The CHARGERS Rowing Club brings you and your colleagues together for seven weeks of spirited camaraderie culminating in a small regatta at the end of the program! Guided by experienced coaches, regardless of previous rowing experience, you will learn the skills necessary to achieve a common goal and experience the thrill of racing in an Olympic style racing shell.

The focus is moving the boat as one unit, not performing as individuals. Our corporate rowing program helps create a culture that promotes teamwork.

Any organization, company, school, church, or other affiliated group may participate. NO EXPERIENCE IS NEEDED.

Things to know:

The Corporate Rowing Program will run from the week of June 20 through August 11.

The Program will consist of practice once per week for seven weeks culminating with a Thursday evening regatta and a celebratory barbeque at the boathouse afterwards.

Teams/Companies are encouraged to sign up more than 8 individuals in order to accommodate busy schedules.

Coaches will be provided. Experienced coxswains will be provided if needed. Captains and coaches will organize boatings.

The CHARGERS 2022 Corporate Rowing Program provides an opportunity for your organization to encourage:

- Team Building
- Health and Wellness
- Networking
- Community Involvement

What they are saying:

“Most of us had never rowed before and the amazing thing is we all were able to learn the stroke, row as a unit, have a lot of fun, and learn some things about teamwork along the way.”

Jim King (Partner)

King and King Architects

“The CHARGERS Corporate Program gave everyone a chance to come together as a team, no matter where they are in the corporate structure. For anyone who thinks rowing is easy – think again – it is one of the best workouts, and a lot more fun than running on a treadmill!”

Jill Russo (Senior Designer/Graphics Coord.)

Parsons Environmental Engineering

Registration:

To register your organization for the CHARGERS Corporate Program, please go to: regattacentral.com/clubs/?org_id=276 and click on Corporate Leagues.
